

# ACADEMIC AMNESTY REQUEST FORM

I would like to request that the grade calculation for the following course(s) (up to 12 credits can be requested) be removed from my grade point average. I understand that the official grades will remain on my academic transcript, but the effect of those grades will be removed. I also understand that the repeated course must be a passing grade and this grade will be the only grade that is used in my gpa calculations.
