1 Students must be enrolled in private applied study in the same term as their recital. Candidates for the degrees B.M.T., B.M. with Emphasis in Music Industry Studies, and B.M. with Elective Studies are required to make at least one appearance in a recital during their period of study. This appearance must show on transcripts as Junior Recital.

2 Music electives and Music Cognate selected in consultation with advisor.

Minor may not be in any area of Music except Music Industry Studies.

Every candidate for a music degree must display a minimum proficiency in piano. An examination to determine such proficiency is ordinarily given at the end of the sophomore year. Students not meeting requirements by this time must continue to study piano until the required standards are met.

All students must stand jury examinations each semester that they are enrolled in applied study except for the terms in which they are subject to recital juries.
